Policy Issues

- Priority Issues:
 - a. Bike May Use Full Lane Sign Location Criteria
 - b. Allow bicyclists to share bus/taxi lanes on High St Downtown
- Require new developments to connect to transportation network via side streets or bike paths.
- Include representative from Franklin County Engineer on technical advisory group for BBP update
- Use of alleys on bike routes (Downtown and Sullivant Ave)
- Street Maintenance
 - a. Bike Lanes Street Sweeping Policy
 - b. On-street Bike Facilities Snow Removal Policy
- General enforcement for motor vehicle/bicyclist interactions
 - a. Specific enforcement for cyclists to not ride on sidewalks and other prohibited areas
- Allow bikes on Marconi railroad crossing in Arena District
- Bike Website Changes
 - a. Add link to MORPC Compute your Commute to bike website
<http://www.morpc.org/transportation/ridesolutions/CommunityCompute.asp>

Proposed Projects

- Access Connections to Alum Creek Trail
 - a. West off of Sunbury Rd just north of Agler Road bridge (SR 1301225986)
 - b. South off of Agler Road, just west of Agler Road bridge
 - c. South off of Sunbury Dr or at the end of Sunbury Dr, west of Sunbury Rd (SR 1301225986)
 - d. East of Frebis from Integrity Dr S (SR 1106281182)

- e. Johnstown Rd near Parkview Blvd underneath I-670 to Alum Creek Trail near Airport Dr (SR 910087492)
 - f. East of Sandridge Ave and from Morse Rd to the south
- Add trailhead parking for access to Alum Creek trail at Performance Way/Old Refugee Rd near Alum Creek Drive.
- Intersection Improvements to Alum Creek Trail (Add warning signs to freeway off ramps where there are trail crossings parallel or perpendicular to the ramp intersection)
 - a. Alum Creek Trail @ Livingston Ave (SR 910087490)
 - b. Alum Creek Trail @ Main St (SR 910087491)
 - c. I-670 @ Leonard Ave (SR 910077272)
 - d. I-670 @ 5th Ave (SR 910077271)
 - e. Alum Creek Trail @ Airport Dr (SR 910077274)
 - g. Alum Creek Trail @ Easton Way and Sunbury Drive (SR 1012301098 – convoluted and dangerous bike crossing)
- Bikeway Improvements on Gantz Road bridge over I-270
- Bikeway along Groveport Rd between Parsons Ave and Lockbourne Rd
- Bikeway connection from northern Meadows at Winchester to Pickerington Ponds Metro Park
- Bike Connection from College and Petzinger Shared-Use Path crossing to Winchester Pike
- Sullivan Ave – Norton Rd to Georgesville Rd, paved shoulder or bike lane
- Steele Ave Bike Blvd EB Extension to Broad St
- Scioto Blvd conversion to bike path – Greenlawn Ave to I-71
